

Key:

* - Required

\ - Vocal

~ - Videograph

All video clips will fade in. They will also fade out. The Transitions that can be seen are there because they have something other than a clip.

ExtremeCraft Intro Video

Transition: Fade into title screen.

\Vocal: Introduction\

~Video: Title Screen = "Prison Tutorial" with Subscribe and Like Buttons (Prison reset video as background or something alike)

Transition: Fade into a slightly blurred clip of being inside a cell, with "Cells" as the title.

\Vocal: Cells\

~Video: Type in /cell, then /cell help.

Transition: Fade into a blurred clip of someone using warps to teleport, with "Warps" as the title.

\Vocal: Warps\

~Video: type in /mine, wait a little, and then type in /warp.

Transition: Fade into blurred clip of someone mining with "Pickaxes" as title.

\Vocal: Pickaxes\

~Video: Enter the Prison server and show the Starter Pickaxe. Warp to /mine and gain some Pickaxe XP.

Open your inventory, and hover over the pickaxe, showing the Pickaxe's XP. Obtain an Upgrade Token.

Shift + right click your pickaxe and select a random upgrade.

Transition: Fade into clip of someone selling blocks and (with auto rankup) ranking up with "Rankups" as title.

\Vocal: Rankups\

~Video: Rankup (/Rankup). Type /ranklist. Type in /sett and enable auto rankup. Grab a sellable block and type /worth.

Transition: Fade into a clip of Prestige Perks. "Prestige" as title.

\\Vocal: Prestige\\

~Video: Type /warp enchanting and access the Perks menu (villager). Hover over all the perks shown. Type /rankup (Must be Prestige, rank A -> B)

Transition: Fade into a blurred clip of a boss fight, or any other event with "Events" as title.

\\Vocal: Events\\

~Video: Dig the Pit event. (Join regular Prison and wait for DTP to start)
Type /warp dtp in chat. Join the event.

Transition: Fade into a blurred clip of someone finding a lucky block with the title "Lucky Block".

\\Vocal: Extras\\

~Video:
Find a lucky block. Type /mine stats.

Transition: Fade into a blurred clip of bombs being used with title "Bombs".

\\Vocal: Bombs\\

~Video: Use a few different bombs in a mine.

Transition: Fade into Prison spawn background video, with subtitle = "Thanks for watching!"

\\Vocal: Outro\\

~Video: (Prison reset video as background, or something alike) w/ subtitle

ExtremeCraft Outro Video
